

The 1955 Matriculation Class Challenge

Below is a photo of five of the top students in the MEHS matriculation class of 1955 as they looked at the 2006 reunion in California. Those five are also shown in their Swaying Palm photo of 1955 on the right hand side of this page.

Can you identify who they are? {No fair trying to read their 2006 name tags!} (By just guessing you have a small chance of getting them correct. 😊)
