

Primary School

Our Primary School is comprised of 24 morning and afternoon classes. In each part of the day there are 12 sections from the first through the fourth standards. Morning Primary School includes Standards I A, I B and I C; II A, II B and II C; III A, III B and III C, and IV A, IV B and IV C, with a total of 547 pupils.

Afternoon Primary School consists of Standards I D, I E, I F and I G; IID, II E and II F, IIID, III E and III F, and IV D and IV E, with a total of 472 pupils, making a total of 1,019 primary pupils in the whole school.

Head teachers for the morning and afternoon primary schools are Mrs. Chan and Mrs. Greenwell, respectively.

The morning classes assemble at prayers in the hall with the Middle and High Schools and begin their class sessions at 8:30 A.M. They have lessons until 11 A.M. when they have recess and resume their classes at 11:30 A.M. until, once more, the ringing of the bell at 1:30 P.M. announces their study hours are over.

The afternoon pupils assemble in the church and start classes at 12:30 P.M. They have their break at 2:00 P.M. and are dismissed at 4:30 P.M.

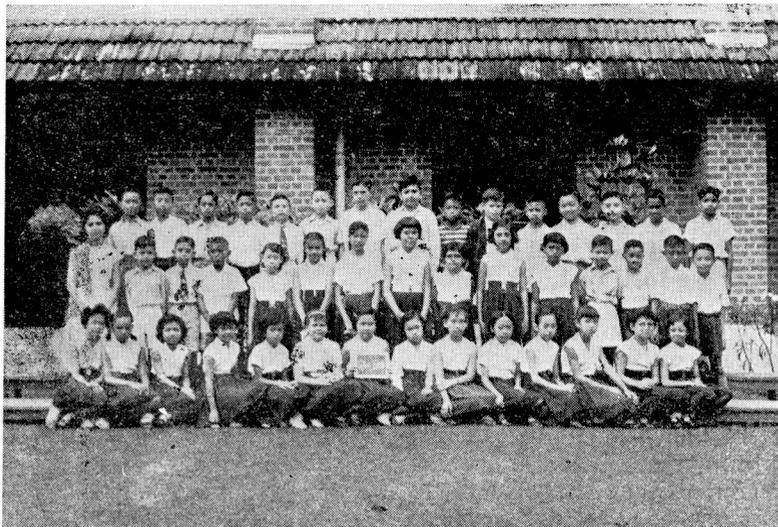

But in both morning and afternoon schools, though studying is very important to them and success is a goal they are determined to reach, this does not keep them from enjoying their school life. They have games, physical exercises, library and singing to occupy their time, and they enjoy this thoroughly.

The last term was a very enjoyable one for our Primary School. Many of the pupils were chosen to take part in the Christmas play. And on the last day of school before the Christmas holidays began, the Primary School held parties in their respective classrooms.

They decorated their own classrooms according to their taste, mostly with gaily coloured crepe paper and balloons. On the black-boards, they drew Santa Claus with his sleigh of presents or some other suitable drawing and adorned their rooms with Christmas trees. Those who could, brought gramophones, and there was much music and lots of refreshments for eating.

After three weeks of happy Christmas holidays, the Primary School pupils, along with the rest of the school children, came back and began to prepare for the final examinations, all hoping to pass.
