

Nurseries

Attending the nursery of the Methodist English High School is an experience never to be forgotten.

This nursery, occupying the biggest room in the school next to the assembly hall, accommodates 120 pupils in the morning session and 116 in the afternoon. Next year the number of admissions will be limited to help reduce the overcrowding of the school.

Here we learn English and Burmese through the songs and poems taught. We learn our numbers with the help of blocks and beads, both of which are in abundance in the nursery. There are also dolls, pictures, stuffed toys and rocking horses.

On fine days there are the swings and slides, used only for the nursery, within an adjoining enclosed space outdoors.

The day before our Christmas holidays begin, we have our Christmas party with a tree loaded with presents and Santa Claus to give them out and join in our happy singing.

With our many well-trained teachers, our nursery is the most popular one in Rangoon. I think our nursery is the best to start from in school.

Here are two of the songs we sing:

Two little eyes to look to God,
Two little ears to hear His words,
Two little feet to walk in His way,
Two little lips to sing His praise,
Two little hands to do His will,
And one little heart to love Him still.
